Experience!

See how it works.

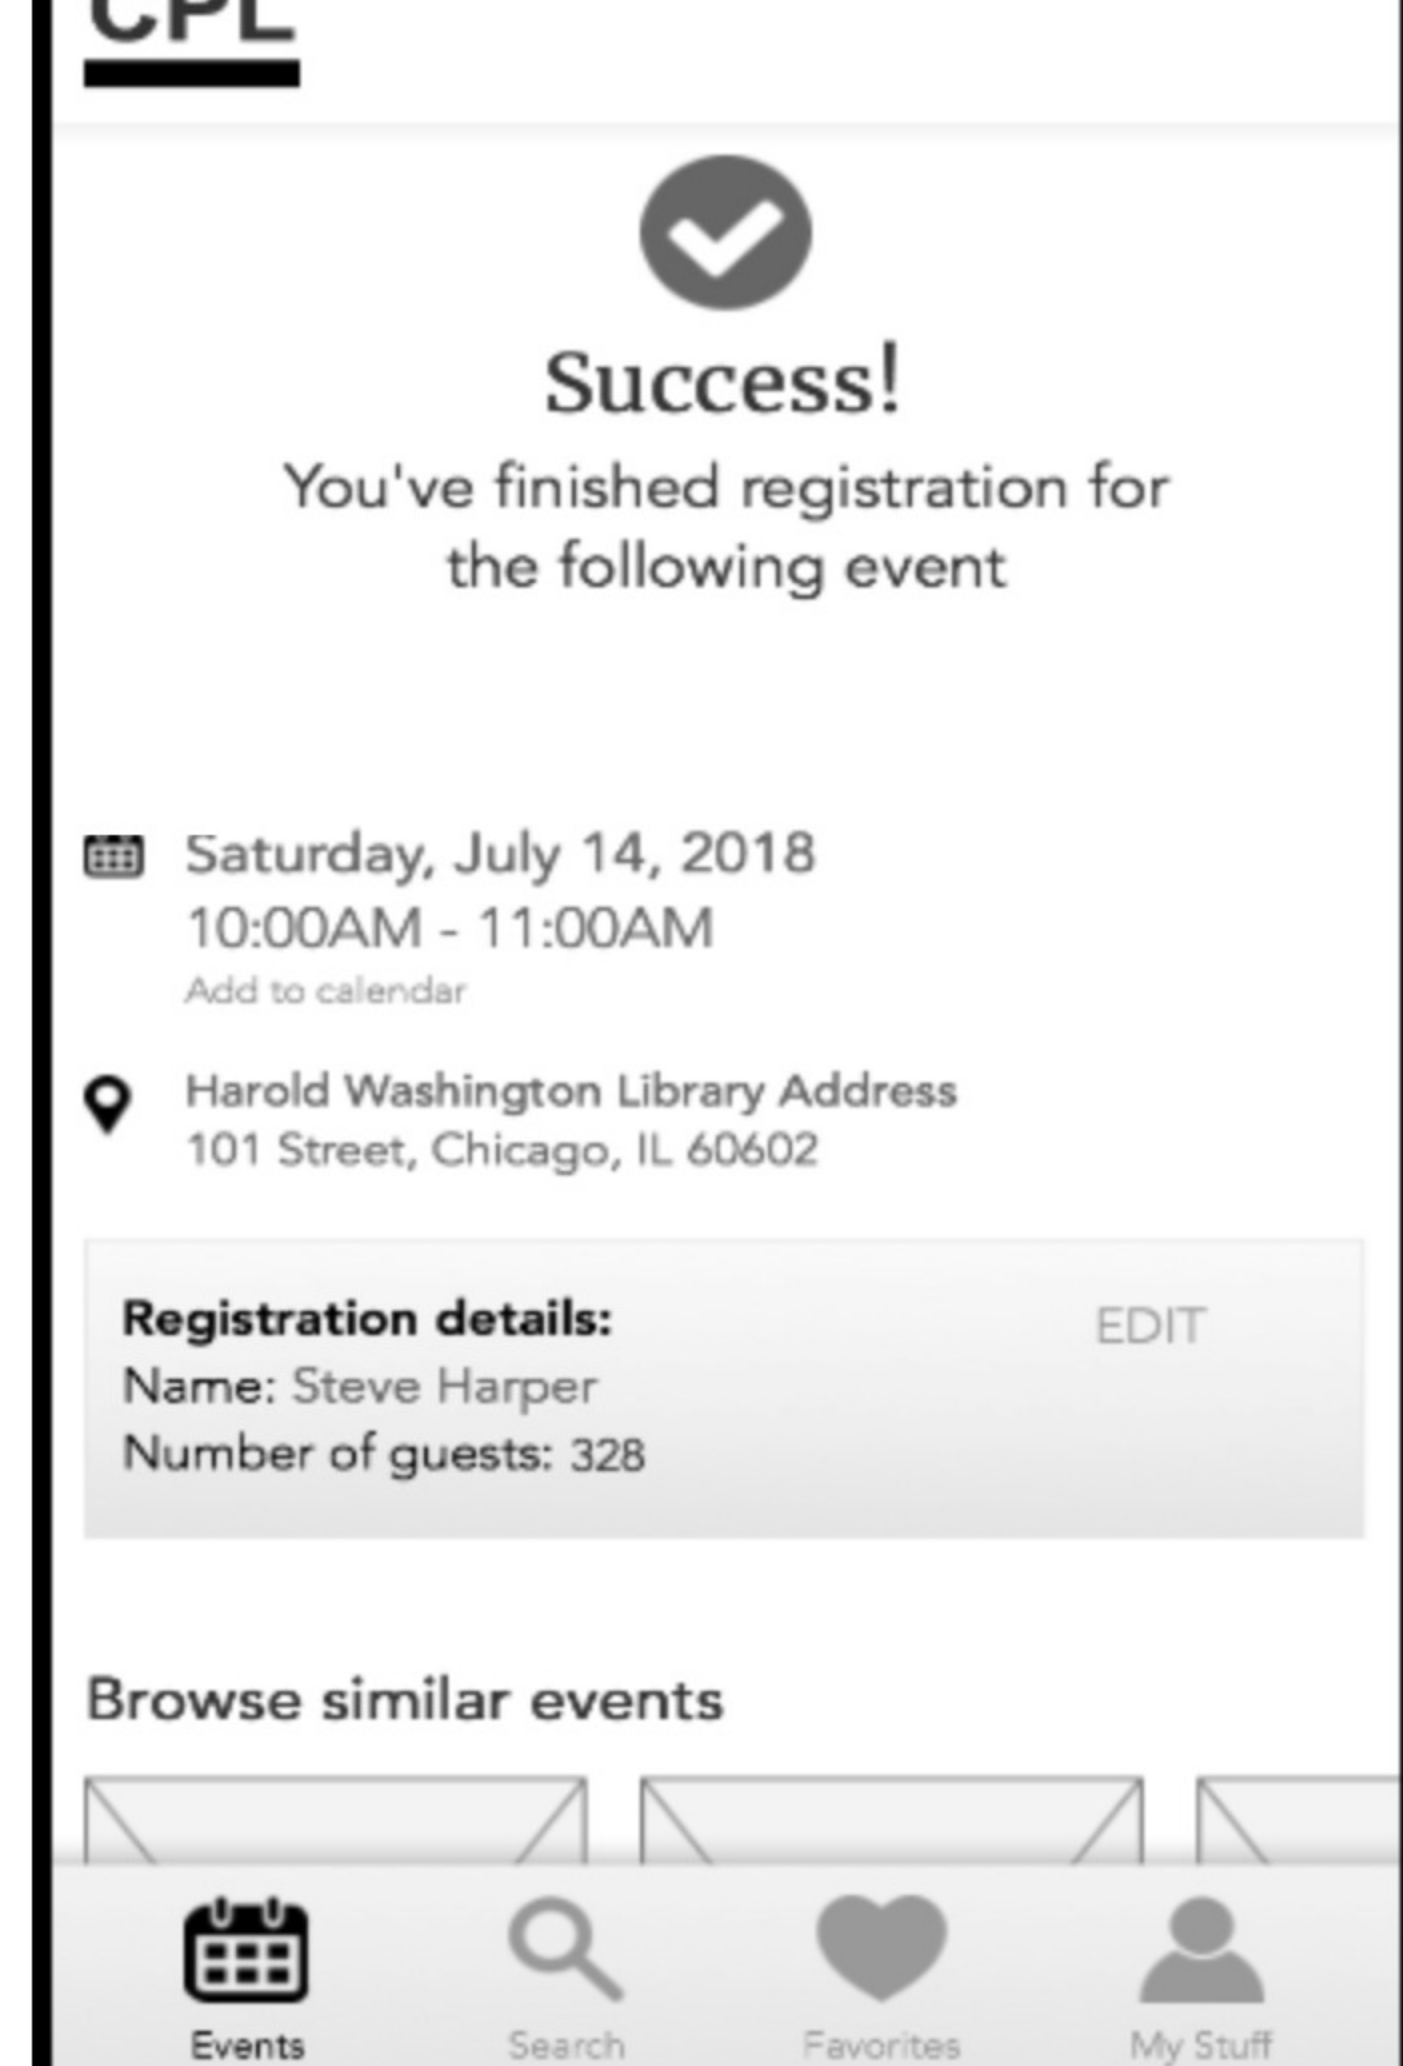

FIND

Browse the many events and programs at the Chicago Public Library and find activities for everyone in the community to enjoy!

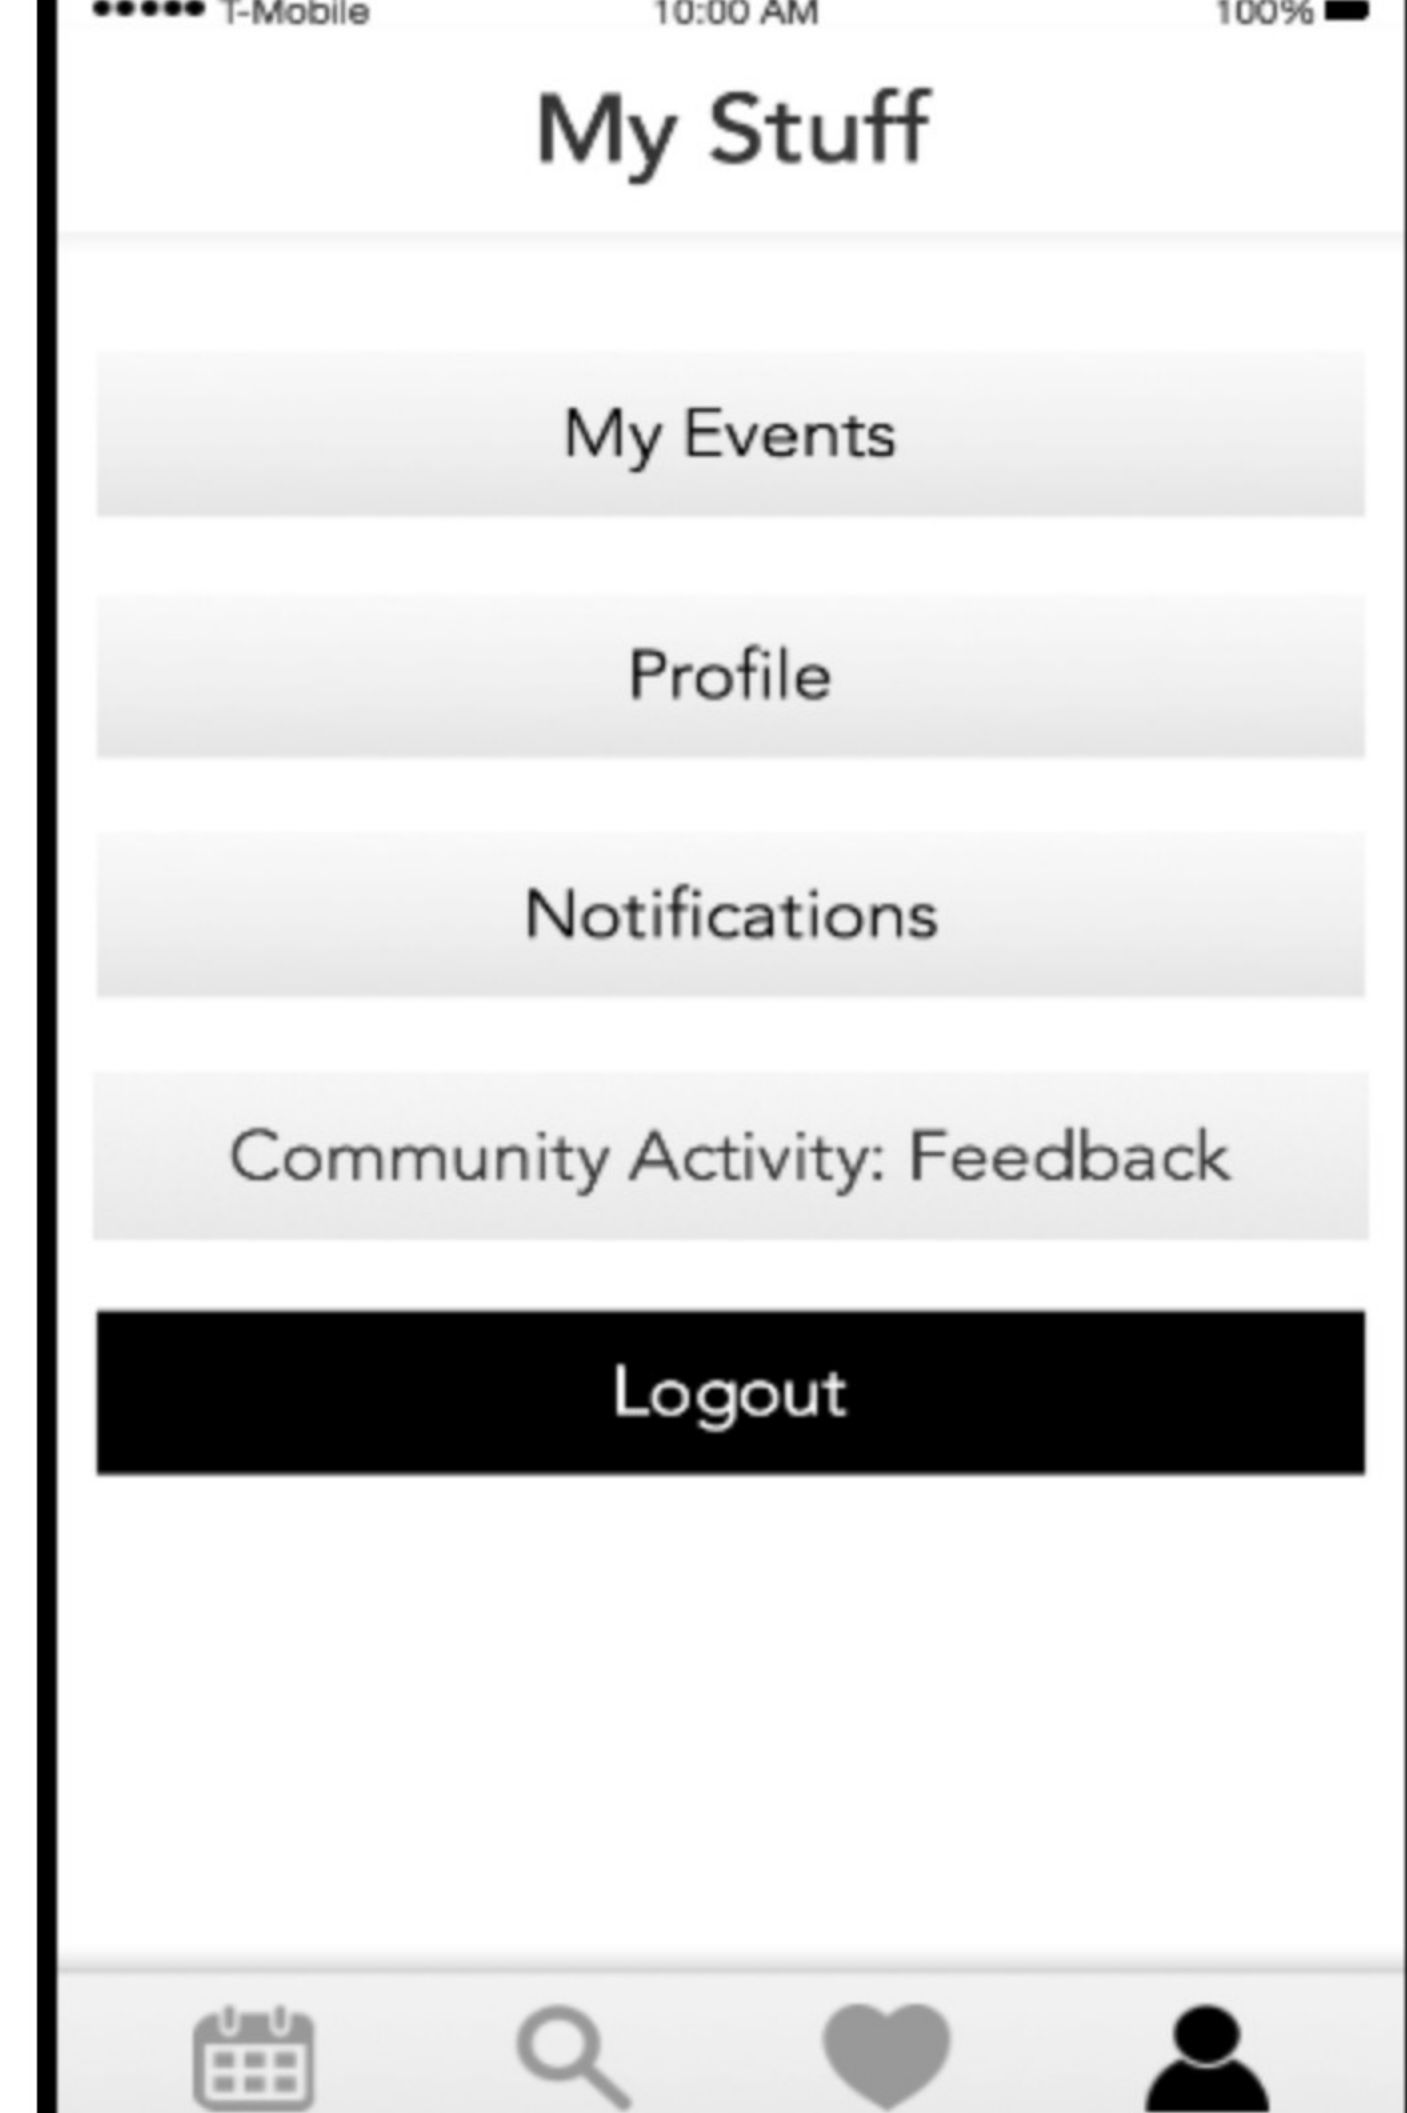

Register

Register yourself and the whole family for events and programs through a seamless registration process and notification options!

Connect

Explore library news, Ask a librarian a question, share with friends and many more ways to join your community!

Quick Access

Easy to use navigation, refined search, and recommendations from the app, makes it easy to find events and stay organized

Sync to Calendar

Never miss an event by syncing registered events and programs with your phone's default calendar. For extra reminders, select the notifications option

Own the Experience

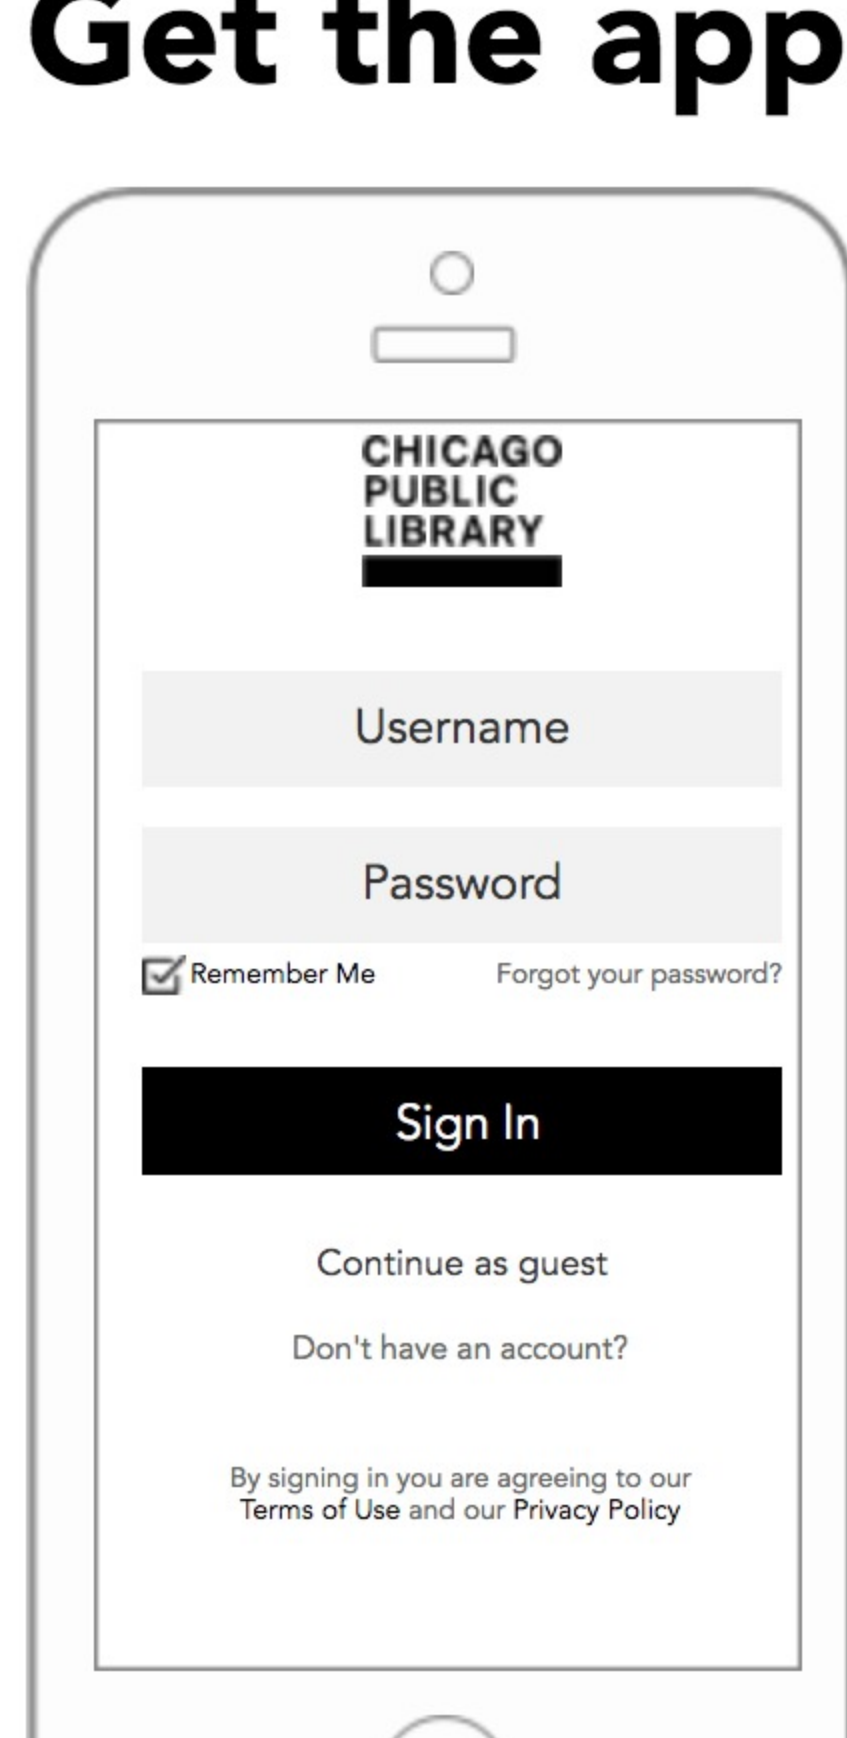

Organize your favorite events and programs through the favorites feature and create a personalized account and connect with your preferred Chicago Public Library branch

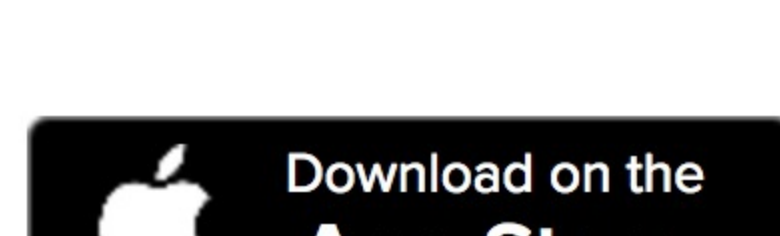

Get Feedback

Get valuable insights about events and programs from library staff and attendees with our community feedback feature

Get the app.
